

# May Artist

Rachael Retz

May 8th - June 1st

Rachael began taking a variety of art classes almost 60 years ago while moving from coast to coast as a Navy wife. She checked out a library book at the San Carlos Branch Library on how to paint with watercolor, and began her decade long love of the canvas. Rachael loved to paint pictures of places that held meaning for her and would often finish an entire painting in one weekend.

Reception  
May 20th  
12 - 2pm
