

October Artist

Mary Conly

October 10th - November 2nd

Mary started drawing on the back of Cheerios boxes when she was four years old. By the age of seven, she could draw a perfect Bugs Bunny. Her artistic parents encouraged her, but Mary did not think of herself as an artist. Following her retirement, Mary tried a watercolor class and loved it. Your eyes will be delighted with the many styles of watercolor and mixed media paintings.

Reception
October 21st
12 - 2pm
