## A Sampler of Fun iPad & iPhone Apps

Friday, December 15th • 2 - 3pm

Do you have an iPad or iPhone and want to know more about the latest apps? Let's explore many fun apps available, including voice recording, free video calls, movie reviews, travel enhancers, readers, and many more! Some of these apps are also available on your Android and other tablets. Please bring your Apple ID and password so you can download some of the apps demonstrated.
