

Meet LEE OTTMAN: SCFOL Volunteer Chair

 **VOLUNTEERS:** What would we do without our SCFOL/library volunteers? Erma Bombeck once described a dream in which all of the volunteers sailed away to another land. Hospitals, libraries, schools and non-profits came to a standstill. Between July 1 and December 31, 2014, our SCFOL volunteers donated 4,427 hours....that's equivalent to four and one-half FREE employees. THANK YOU! We welcome Lee Ottman, our new SCFOL Volunteer Chair. This energetic lady will be updating our volunteer data base, and is asking current and future volunteers to complete the [SCFOL Volunteer Information Sheet](#) or pick one up at the library. This information is for your protection and is required of all volunteers by the FSDPL insurance carrier. Please return applications "attention volunteers" to the library or email them to Lee at volunteers@sancarlosfriendsofthelibrary.org. She says, "We will need to be ready for the new library when it becomes a reality. More space means more activities and more volunteers needed, but we will rely on the experience and dedication of those of you who have been so loyal. I can't wait to meet and talk with each of you, and of course, we always welcome new volunteers"
