

CONGRATULATIONS: Logan McKerring

 CONGRATULATIONS to Green Elementary School's fourth grader Logan McKerring, (his teacher is Louise Volpe). Logan was named one of four, fourth grade, Grand Prize winners in this year's City-wide, 18th annual Writing for Literacy, Library Essay Contest, started by our own Jack Winer. "The Book Thief," was the book he would save if all others were to be destroyed. Logan's prizes included a monetary award and a lap top computer (donated by C2SDK). We are all so proud of you, Logan!
