

Meet Our Branch Manager: DAVID EGE

 David Ege has been chosen to be our new Public Service Manager, AKA: Branch Manager. His first day at the San Carlos Branch Library was January 4, 2016. David comes to us with over three years experience as the Branch Manager at Serra Mesa-Kearny Mesa, and an additional 3 years at Carmel Valley Branch Library where he wore two hats -one as Youth Services Librarian, and the other as acting Branch Manager. In 1997, David and his wife, Eileen, a science teacher at Kearny High, relocated to San Diego from Long Beach where they met in elementary school. As the saying goes, "the rest was history." Their two sons attend Pershing Middle School. The entire family is into sports, and ice hockey is the favorite of this Southern California family. They all play and own the needed gear. Crusaders soccer also occupies their time. Fun Fact about David: like Ron McFee, he digs pop culture, worked at a comic book store in the 1990s and loves Comic Con. David is excited with his new assignment and looks forward to working with Youth Services Librarian Erin Moore, to increase the library's connection with our local schools and add even more youth programs. Stop by and join us in welcoming David to our branch.
