Toni Noel to speak at NOVEMBER 16, SCFOL Annual General Membership Meeting

Additionally, we had a surprise speaker: David Pfeifer, architect from DomusStudio presented the preliminary plans for our new 25,000 sq.ft. branch library. The SCFOL Board approved the plans, and recommended them for approval by the Navajo Planning Commission.

November 16, from 4:00-6:00, in the Winer family Community Room & Art Gallery, all Members of the San Carlos Friends of the Library are invited to attend the SCFOL Annual General Membership Meeting.
