Creating a Legacy of Learning Can Cost You Nothing Today

You can create a legacy of literacy and lifetime learning by including a San Diego Public Library Foundation gift in your will or trust. These gifts are easy to set up, and allow you to make an impact while keeping full use of your assets during your lifetime. Those who make these plans are invited to join the Carnegie Society, which thanks members for their generosity. The Library Foundation is getting ready for the 2018 Carnegie Society Tea and will be inviting members soon! Long-time Library Foundation supporters Linda and Bill Kolb are Carnegie Society members because “public libraries have enriched our lives so much” (read more here).
