Volunteer at the Library!

The San Diego Public Library's robust Volunteer Program connects caring people to a great cause. The Library's dedicated volunteers are an

integral part of the library's operations. They help the library leverage limited resources and fulfill its mission to inspire lifelong learning through connections to knowledge and each other. The San Diego Public Library has a rich history of working closely with volunteers. Dedicated volunteers from all ages, backgrounds, skill sets and phases of life assist library staff to extend the services and programs the library can offer to the public. We welcome volunteers who are eager to help make a real difference in their community!
