

FEBRUARY 22: Robotics Showcase Extravaganza

 **ROBOTS RULE..... Saturday, February 22:** The San Carlos Branch Library will once again partner with the *Henry Cluster STEMM Foundation* to host a

Robotics Showcase Extravaganza

TIME: 10:00 am – 1:00 pm

LOCATION: parking lot located at the corner of Golfcrest & Jackson. Inside the library from 11 a.m. – 1 p.m., there will be interactive robot crafts and activities.

Robotics teams scheduled to show off their robotics expertise include: *Patrick Henry Patribots, Pershing Atomic Panthers, City Critters, Dailard Mechanical Dolphins, Pretzel Cats, Wizalos, and Squash*. Those teams that are not school based are home based. Team participants will display and explain their robots, outside the library, in the lower parking lot. You may even have the chance to operate some of the Robotic creations. Click on [RoboticsEvent_SC_2020](#)

Despite the rain, we still had 268 attendees at the Robotics Showcase. Teams in attendance: City Critters, Dailard Mechanical Dolphins, Pretzel Cats, Wizalos, Squash, Patrick Henry Patribots, Kearny Blue Tech and SDSU Mechatronics. Thanks to all who participated and those who attended. See you next year!
