Greetings Matchbook Story Contest entrants! We've announced the winning story on our website: LibraryShop/short_story Thanks again for entering. Next time you are at the Central Library please stop by for a complimentary book of matches from the Library Shop. Volume 4 of our contest opens for submissions on October 1st, 2020.

The Library Shop is a non-profit book & gift store located in the courtyard of the Downtown Central Library sponsored by the FSDPL and the SDP Library Foundation. To find out more about the Library Shop, their hours of operation, monthly special events, speakers, books and materials, go to Library Shop or call the Library Shop at 619-236-5802.

As the plans for Downtown Central Library were being developed, space was set aside for a Library Gift/Book Shop to be located on site. It features a wide selection of well-curated books, gifts, cards, jewelry, and more. Proceeds support all 36 San Diego Public Libraries. Come see why San Diego Magazine named it the best literati boutique in San Diego. Life-members of the Friends of the Library receive 10% off all purchases. The Library Shop also sponsors monthly special events for adults like trivia games, adult spelling bees, and planting succulents workshops.
