

AUGUST-NEW Titles Available at the San Carlos Branch Library

Our librarians make every effort to keep our branch library filled with the books you want to read. Each month, books which have not been checked out for many a day or are outdated or in poor condition, are removed from circulation and replaced with new volumes for your reading pleasure.

Click on [New Adult Titles-January – August](#) to see the list of new **Adult** books, and [New Youth-Titles – January – August](#) to see the newest **Youth** books that have been added to the San Carlos Branch Library collection.
