

NExT Courses Announced for Fall, 2020 (Virtual Library)

Library NExT (Network of Education x Training) is a series of workshops for elementary, middle and high school students on topics including robotics, circuits, Quest for Space: Heat Experiments on the ISS and 64 + other STEAM subjects. Initially

started as a pilot program at six San Diego libraries in 2017, it has expanded to 21 locations in 2020 with plans to be offered at all City of San Diego library locations. This San Diego Public Library program is a collaboration with UC San Diego Extension and Sally Ride Science. The virtual fall schedule has been announced, so register now! **September courses include:** *Your Brain and Body on Nature, 3D Modeling and Printing, Slimy Sea Creatures, and Messy Science.* **Registration is required** and space is limited.
