

Reference Services are Available

Can I call the library for help/reference services? Yes, library staff can answer phone calls Monday through Friday from 9:30 a.m. to 5:30 p.m. (Everyday between the hour of 1 – 2 p.m. the library will be closed for mid-day sanitation break.) You may call our general number at 619-236-5800 or your local branch. You may also submit your question via the Library's website or email us directly at weblibrary@sandiego.gov with reference questions, questions about services or your account. Light Reference and Reader's Advisory are also available at twelve In-Person Library Service locations.
