

SDPL Virtual Event Calendar

There are many VIRTUAL EVENTS that have been scheduled. See the [SDPL Virtual Branch Event Calendar](#) for upcoming virtual events. Activities that are open to a limited number of Virtual Attendees require you to register; they have a pen in the upper right side of the box.

Click on the event title, scroll down to register. When the Library sponsors or hosts an event it does not constitute an endorsement of the content or the views expressed by the participants.
