

Celebrate Asian American and Pacific Islander Heritage

Asian Americans and Pacific Islanders have a rich heritage thousands of years old and have both shaped the history of the United States and have had a huge cultural impact here in San Diego. The Library Shop has put together a Shop curated reading list featuring some of the best books of the last few years written by Asian Americans or Pacific Islanders. Check out our curated list and purchase directly from our Bookshop.org site and 30% of your purchase will support the San Diego Public Library System.
