

Reference Services are Available

Can I call the library for help/reference services? Yes.

Library staff can answer your questions at all of our branches via phone during regular business hours. You may call our general number at 619-236-5800 or your [local branch](#). You may also submit your question via the Library's website or email us directly at weblibrary@sandiego.gov with reference questions, questions about services or your account.
