

## Reference Services are Available

### **Can I call the library for help/reference services? Yes.**

Library staff can answer your questions at all of our branches via phone during regular business hours. You may call our general number at 619-236-5800 or your [local branch](#). You may also submit your question via the Library's website or email us directly at [weblibrary@sandiego.gov](mailto:weblibrary@sandiego.gov) with reference questions, questions about services or your account.
