

How to Request Books that are not in our Inventory.....

Is there a book you have been looking for but is not a title currently available in our inventory? It may be available from the consortium catalog. The San Diego Circuit Member Libraries are: California State University at San Marcos, San Diego County Library, San Diego Public Library, San Diego State University, University of California at San Diego, and the University of San Diego. Click on [Circuit SD](#) for information on how you can obtain books from these member circuit libraries.

Use InterLibrary Loan Services (ILL) to request items that are available neither from the San Diego Public Library nor the Circuit.
