

# FREE SEEDS @ SDPL

Free seeds are now available at all open San Diego Public Libraries. Grow healthy food for yourself and others. Seeds include melons, carrots, cilantro, and more! Check out vegetable gardening books to learn more. This is a wonderful way to connect with your library, nature, and the people in your community. Visit your library today to get your free seeds. Seeds include melons, carrots, cilantro, and more! Check out vegetable gardening books to learn more. This is a wonderful way to connect with your library, nature, and the people in your community.

Visit your library today to get your free seeds. 2022 Free Seeds flyer Three packets per library visit. Thank you to Vlada's Seeds for Life and the Ahern Seed Company for their generous donation.
