

Robotics Showcase Extravaganza, 2023

Saturday, April 15, 10 am – 1 pm, the robots are returning to the San Carlos Branch Library. Teams from local schools and the San Carlos neighborhood will display and explain their robotic creations in the library's lower parking lot at the corner of Jackson & Golfcrest. From **11 am – 1 pm**, there will be an interactive youth robot craft available in the Library's Community Room.

Congratulations to the **PATRIBOTS, the PHS Robotics Team!** They scored well at the San Diego Regional Robotics competition in March, and are traveling to Houston this month, hoping for a National or World title. You can learn more about and support the [PATRIBOTS HERE](#).

Among the clubs participating in the SCBL's Robotics Extravaganza this year are FLL #50899 – Mechanical Meatloaf, FLL #50739 – Garage Engineers, FLL # 50906 Tinkerbits, FLL # 34264 Cretaceous Coders, FLL # 28375 Techno T-Rexes, FTC # 10092 Green Griffins, FTC # 14195 Cerulean Centaurs, and FTC #18365 – Dapper Robo-Noodles. The San Diego Fire Department Bomb Squad and drones from Aguirre Tech will also be attending. Click on [RoboticsEvent, 2023](#)

Last year's Extravaganza was a great success. Robotics teams help young people develop skills in engineering, coding and construction. Come learn how to get your children involved in

this exciting career path.
This activity is a partnership with the Henry

Cluster STEMM Foundation.
