

NExT Courses: Register now!

Library NExT (Network of Education x Training) is a series of workshops for elementary, middle, and high school students . **Courses are either in-person or virtual via Zoom.** Please read descriptions carefully to determine each program's format. **REGISTRATION IS REQUIRED** and opens approximately one month prior to course date for all programs. If supplies are needed for virtual programs, you will receive an email directing you to your requested branch library to pick up your supplies. Zoom links for virtual programs will be sent to your provided email address within 24 hours of the programs.

Library NExT (Network of Education x Training) is a series of workshops for elementary, middle, and high school students on topics including circuits, Python programming language, virology, and 55+ other STEAM courses. Initially started as a pilot program at six San Diego libraries in 2017, it has expanded to 24 locations in 2021 with plans to be offered at all City of San Diego library locations. This San Diego Public Library program is a collaboration with UC San Diego Extension and Sally Ride Science.
