

2023-SRP Roundup

The 2023 summer vacation period was shorter than most, as local schools started the 23-24 school year earlier.

However, the San Carlos Branch Library still had **1116** patrons register for the annual Summer Reading Program. Of those participating, **768** met their reading goals and collected their prizes. Congratulations and keep on reading!

There were 8 family-friendly-special summer programs offered at the San Carlos Branch too. Over **710** kids and adults joined in the fun .
