Remote Printing Available @ SDPL

Remote Printing Available at all SDPL locations.

Please read about this new San Diego Public Library Printing Service. You can now easily print from your phone, tablet, or laptop using the SDPL remote printing service. Send print jobs from any location at any time, whether you're at home or in one of our library locations. Simply print, pay online or at the library, and pick up your items within 24 hours. For complete information on the procedure required apps and pricing click PRINTING.
