

We Love SCFOL Volunteers

We welcome all SCFOL members to consider volunteering and assisting us in making our monthly USED BOOK SALES bigger and better than ever. Revenue from SCFOL book sales is the major source of funds needed to purchase books, programs and equipment for our branch library. In 2024, about 75 dedicated SCFOL Volunteers donated 4426 hours to the San Carlos Branch Library! We thank them one and all.

Contact SCFOL Volunteer Chair Sue Dennis at susiedennis@mac.com for details on how to become a SCFOL/Book Sale volunteer. We especially need younger folks and we would be happy to write recommendation letters for your college applications. Leave your name and contact information at the library, ATTENTION: Sue Dennis, SCFOL Volunteers. Stop by the next first Saturday Used Book Sale and talk to some of the volunteers.

Not an SCFOL member but would still like to become a volunteer? No problem! Student and Senior memberships are only \$5/year, adults under 55 are \$10, and Family memberships are a deal at \$20. Membership applications are available on this [website](#) , at the library, during the book sales, and from Sue Dennis.
