

What is OASIS?

OASIS is a national educational organization dedicated to enriching the lives of adults age 50 and older through lifelong learning, active lifestyles, and service. They offer programs in the arts, humanities, health and wellness, technology and volunteer service. Programs presented at the San Carlos Library are fully underwritten by SCFOL and are FREE to the public—if you register at the library. You may

also register on line at OASIS. Registered participants will be seated before walk-ins. If there is an OASIS program you would like offered at the San Carlos Library, please let our Managing Librarian, David Ege know.
