

Children's Section Upgrade! Sit, Relax, & Let the Books Read to You.

Exciting news for kids! Our library's children's section just got a makeover, making it even more inviting and engaging for our youngest readers.

A Comfy New Space to Read & Relax

We've added a brand-new couch perfect for snuggling up with a favorite book. Whether your child enjoys independent reading or story time with a caregiver, this comfortable new seating area makes the experience even more enjoyable. Also check out the fresh new rug and tables!

VOX: Books That Read to You!

One exciting addition to our collection is a selection of VOX™ books. The permanently attached VOX Reader transforms an ordinary print book into an all-in-one read-along. No need for computers, tablets, or CDs—children simply push a button to listen and read. These interactive books are perfect for emerging readers, kids who love to listen to stories, or anyone who enjoys an immersive reading experience.

We can't wait for you and your little ones to experience the updated children's section! Stop by the library, grab a book, and settle in for a cozy, magical reading adventure today.
