

[Junior Innovators STEM Club](#)

Join us for fun and engaging STEM presentations and projects at the library!

On the third Tuesday of the month from 4:00-5:00, elementary and middle school students will work on a variety of science and math activities. This program is hosted by the Patrick Henry High School Junior Innovators Club with materials funded by SCFOL.

Upcoming Dates:

April 21 & 24 (2 sessions this month only!)

May 19

June 16
