April 18: OASIS - San Diego History Through Music: Live Concert

Chris Burns, Many-Strings

Friday, April 18th • 2 - 3pm

Come listen to San Diego's soundtrack! Native Americans, the Spanish and English explorers, the missions, Mexican ranchers, gold rush settlers, and the Chinese and Japanese immigrants all had their own tunes. During this hour, Chris Burns will perform music from San Diego's history. Music reflecting the 1400's forward to our times will be featured in this Oasis Live Concert.
