

## [Summer Reading Program 2025](#)

Registration for the summer reading program begins on June 1!

Participants can read books and complete activities to win prizes. [Read more and register here!](#) As part of the summer reading program, the following events will be happening at San Carlos Branch Library this summer.

### **All events are from 10:30-11:15**

**July 19** - [“Know Your Stories” With Ina, the Sunshine Storyteller](#): Ina’s shows weave international tales, movement, and songs to take you on a magical carpet ride of story fun.

**July 26** - [Mad Science: Spin Pop Boom](#): To wrap up our summer reading program, we will use fire, foam, and music to explore the difference between physical and chemical reactions.

For Level Up at the Library this summer, San Carlos Branch library has some new art displays created by the Patrick Henry High School craft club (wall display), as well as a 3D paper dragon created by our own youth services librarian, Erin Moore.
