

SD Libraries Will Lose Funding in 2026

Negotiations are still underway before the City of San Diego's final 2025-26 fiscal year budget is voted on June 10. As a result of previous City Council budget meetings, the San Diego Public Library system is scheduled to lose \$8million in funding. As of July 1, 2025, this loss of funding may result in the closing of all 37 Branch Libraries on Sunday and Monday, but will allow programs and services to remain the same Tuesday-Saturday. Homework

Help at the Library may also be reduced from 18 to 10 locations. We will keep you posted.
