## Junior Innovators STEM Club

Join us for fun and engaging STEM presentations and projects at the library!

On the third Tuesday of the month from 4:00-5:00, elementary and middle school students will work on a variety of science and math activities. This program is hosted by the Patrick Henry High School Junior Innovators Club with materials funded by SCFOL.

## **Upcoming Dates:**

October 21 - Robotics

November 18 - Oceanography

December 16 - TBD
