

Summer Reading Round-Up

San Carlos Branch Library had 1110 patrons register for the annual Summer Reading Program, 898 of whom met the goal of reading 10 books, reading 10 hours, or completing 10 activities to earn prizes such as museum passes and free books! (159 adults, and 739 kids) We also had 7 successful summer programs including music, art, stories, and science at the San Carlos Branch to celebrate the summer reading program. Congratulations to everyone who participated, and keep on reading!

PS: Reading challenges aren't over in the fall – check out the [2025 Cover to Cover Club](#) where kids can win free In-N-Out for reading!
