February is Museum Month! Get your half-price pass.

Every year during the month of February, the San Diego Public Library supports the San Diego Museum Council for San Diego Museum Month. During this time, patrons can pick up a free Museum Month pass at any San Diego City or County Public Library or download from **https://sandiegomuseumcouncil.org/specials/museum-month/** to their mobile device. The pass can then be presented for half-price admission for up to four people at 70+ museums around San Diego County from February 1–28. Note: Some museums may accept printed passes only, so it's a good idea to stop by the library to pick up a printed pass or check online for any restrictions.
