# "Where's Odi?" Button Design Contest!

Winner of the 2024 button contest!

We're holding a "Where's Odi?" button design contest again! Download the entry form here, or visit the library to pick up a hard copy. Here are a few more details:

- The winning design will be our branch's button in the systemwide "Where's Odi?" scavenger hunt in July.
- The contest at our branch is open to all ages, including adults. (Adults do not have to put their age on the entry form.)
- Not all branches may offer the design contest, so patrons should return their entry forms to our branch.

The deadline is May 1.
