

[Summer Reading Program 2026](#)

Plant a Seed, Read this summer! Join our all-ages Summer Reading Program (SRP) and explore a summer full of stories, creativity and discovery. Just like a garden feeds the body, books and ideas feed the mind. From books to hands-on activities, discover how stories, food, culture and community are all connected. Start with a seed of curiosity and see what you discover at the library this summer!
