

[Where's Odi? A Systemwide Scavenger Hunt](#)

Odi the Coyote, the San Diego Public Library mascot, is hiding somewhere inside all 37 library branches*. How many Odis can you find? Find the miniature Odi hiding here in the San Carlos Library to get a commemorative button! Each library has a different button design. Program runs for the entire month of July.

Pick up your passport at the front desk to participate!

* The Scripps Miramar Ranch Library is currently closed for maintenance, but their Odi can be found at the Mira Mesa Library
