## October 2 @ 1-3 pm: SCFOL Pre-Used Book Sale

**REMINDER: You must be a Friends of the Library member to buy books at the Friday Pre-Sale. JOIN SCFOL at the Sale and BUY BOOKS!**

### We now accept debit, credit, PayPal, or Venmo!

This is another great way to support the library and meet other Friends.  On the day ***before*** the first-Saturday-of-the-month SCFOL Used Book Sales, **current members of the Friends of the Library** are invited to purchase fiction books and media materials in the Winer Family Community Room & Art Gallery. Current author hardbacks sell for the best price in town. The pre-sale is our way of thanking SCFOL members for their support of the San Carlos Branch Library. There's lots more elbow room too. We will have an updated SCFOL membership list on hand but having your card with you will save time.

**Remember:** Annual SCFOL memberships must be renewed every January 1st; you may join or renew SCFOL memberships at the Book Sales. Membership envelopes are always available at the library and completed ones may be given to a librarian. Please  completely fill out the required information in order to receive your card and e-mail newsletters. It's also an opportunity to let us know if you would like to become a SCFOL volunteer.
