November 4, 2 PM: The Pilgrim Odyssey

The Pilgrim Odyssey
Rudy Shappee, Local Historian
Wednesday, November 4 • 2 PM

Learn about the odyssey of a handful of religious dissidents leaving their homes in Scrooby, England, in search of religious freedom and landing on the storm-lashed shores of Cape Cod. They braved the cramped conditions aboard the Mayflower to become the earliest explorers of this new world. The survivors built a settlement to get through the winter and celebrated their first harvest season with the natives who taught them how to survive in their new home.
