

January Artist

Noreen Ring

January 7th - 31st • Winer Family Community Room

Noreen's other-worldly textile collages are created by selecting bits of 100% commercial or hand dyed cotton fabric. Each bit of fabric is hand stitched using a variety of different threads. Once the piece is complete, it is embellished with beads, crystals and yarns. The piece is then sprayed with a UV protector and framed behind glass or Plexiglas.
