Wanjiru Warama

Friday February 22nd •
2 - 3pm

Author Wanjiru Warama returns with wit and emotion to enlighten the reader to the struggles and vulnerabilities faced by an immigrant woman trying to find employment and learn how to financially support herself, while also learning how to fit in and acclimate to a shockingly new culture. Wanjiru Warama was born and raised in British colonial Kenya, and educated in both Kenya and the United States.
