

# Robotics Showcase Extravaganza

Did You Know There are Robots in the  
San Carlos Community?

Saturday, February 23rd • 10am - 1pm

Robotics teams help young people develop skills in engineering, coding and construction. Teams from Dailard Elementary, Cajon Park Junior High, Patrick Henry High School and San Carlos neighborhood will display and explain their robotic creations. Come learn how to get your children involved in this exciting career path . A partnership with the Henry Cluster STEMM Foundation.

- 10am - 1pm Robotics Showcase
- 11am - 1pm Interactive Robot Craft
