

FREE SEEDS

now available at all open
San Diego Public Libraries!

Grow healthy food for yourself and others.

Seeds include melons, carrots, cilantro, and more! Check out vegetable gardening books to learn more. This is a wonderful way to connect with your library, nature, and the people in your community. Visit your library today to get your free seeds.

Three packets per library visit.

Thank you to Vlada's Seeds for Life and the Ahern Seed Company for their generous donation.
