

Events & Activities

- Robotics Showcase Extravaganza**
 Saturday, April 9 • 10:00 a.m. - 1:00 p.m.
 Robotics teams help young people develop skills in engineering, coding, and construction. Teams from the community will display their robotic creations in the library's lower parking lot. Inside the library, there will be interactive STEM activities in the community room. Learn how to get your kids involved in this exciting career path! A partnership with Henry STEMM Foundation. All ages.
- Kids' Craft Time**
 2nd & 4th Mondays • 3:30 - 4:30 p.m.
 Drop in and create a fun craft anytime between 3:30 and 4:30 p.m. A different craft is offered each time. Limited space; first come, first served. Ages 3-11.

- San Carlos Chess**
 2nd & 4th Tuesdays • 5:00 - 7:00 p.m.
 Did you know playing chess can improve logical thinking and increase math ability? Learn the ancient game of kings or hone your skills. Limited space; first come, first served. Ages 18 and under.

- Storytime at the Community Garden**
 2nd Saturday • 11:00 - 11:30 a.m.
 Join us for an outdoor storytime! Youth services librarian Ms. Erin brings the fun of the library to the San Carlos Community Garden (6460 Boulder Lake Avenue). Storytime will feature books, songs, and interactive activities with a new gardening theme each month. Ages 7 and under.

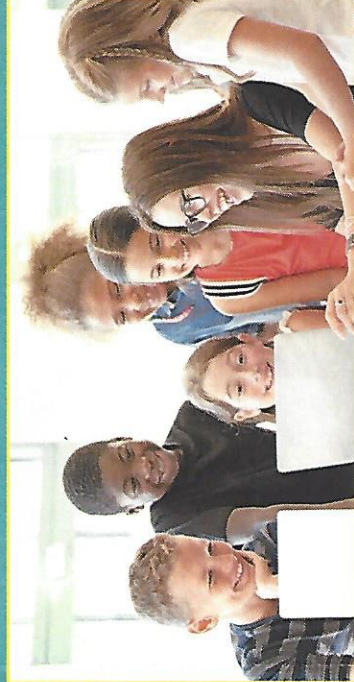

Inspire Literacy!

- Who Hatches?**
 Entire month of April
 Join us for a scavenger hunt! Find the twelve eggs that are hatching in the library and identify the creatures inside. Then pick up an entry form, record your answers, and submit the form to the front desk for a prize. One entry per person.
