In *Cradles of the Reich*, Jennifer Coburn takes the reader inside the bucolic Heim Hochland, one of the real breeding homes, where three women's fates are irrevocably intertwined. Gundi is a pregnant university student from Berlin. An Aryan beauty, she's secretly a member of a resistance group. Hilde, only eighteen, is a true believer in the cause and is thrilled to carry a Nazi official's child. And Irma, a 44-year-old nurse, who is desperate to build a new life for herself. All three have everything to lose as they begin to realize they are trapped within Hitler's terrifying scheme to build a Nazi-Aryan nation.
