

Artist

Julianne B. Ricksecker

February 1st - 27th • Winer Family Community Room

Julianne has been a painter and a printmaker exhibiting regularly for over 40 years. While she is best known for her work in various techniques of original printmaking, she also works in pastel and watercolor. Her medium changes depending on the inspiration and her work ranges in size from miniature prints at 2" x 2" to full sheet watercolor at 22" x 30". While she occasionally paints "en plein air", she is more likely to bring home inspiration in the form of sketches and photographs taken on hikes and during road trips
