

Robotics Showcase Extravaganza

Did You Know There are Robots in the
San Carlos Community?

Saturday, April 15th • 10am - 1pm

Robotics teams help young people develop skills in engineering, coding and construction. Teams from local schools and the San Carlos neighborhood will display and explain their robotic creations. The San Diego Fire Department Bomb Squad and drones from Aguirre Tech will also be attending. Come learn how to get your children involved in this exciting career path. A partnership with the Henry Cluster STEMM Foundation.

- 10am - 1pm Robotics Showcase
- 11am - 1pm Interactive Robot Craft
