

Celebrating Norouz, The Persian New Year!

Friday, March 15th • 2 - 3pm

The San Carlos Branch Library is celebrating Norouz, the Persian New Year! We are excited to bring this Persian traditional celebration to the community. Our very own staff member, Ms. Shadi, will be speaking about the significance of this holiday and the cultural traditions partaken in to celebrate the beginning of Spring. Come join us for some fun festivities, which will include live music and delicious Persian treats!
