

San Diego Community Emergency Response Team - CERT

Carie Chouinard

Friday, September 20th • 2 - 3pm

During the first few hours and days after a disaster strikes, emergency services could be overwhelmed, leaving families, neighborhoods and businesses on their own for hours or days.

San Diego Fire-Rescue personnel train and empower citizens in safe, effective neighborhood CERT teams. CERT San Diego instructors teach citizens to take life-saving action to help families, neighbors, businesses and communities get through the first few hours or days when emergency services are overwhelmed.
