

Master Gardener Association of San Diego County

Earth Friendly Gardens

Friday, April 19th • 2 - 3 pm

How Earth-friendly is your garden? Learn about sustainable landscapes and Earth-friendly principles and practices from Niki Vollrath, representing the Master Gardener Association of San Diego County. Niki will be teaching us about how we can garden in ways that are not harmful to ourselves, native plants, animals, and the environment as a whole. With Earth Day just around the corner, this is the perfect opportunity for you to discover how a few changes in your gardening practices can help the environment!

Evaluate your current garden using the Eight Principles of Landscape Sustainability
